In 2018, KCADC agreed to take on the task of defining the KC region's global identity. After collecting input from 1,000 diverse members of the KC community and surveying 1,500 American consumers, the KC Heart icon was selected as the best representation of KC's unique culture, values and influence. We are now in the process of implementing the #KCheartland regional brand. Check out <a href="https://www.KC.org">www.KC.org</a>.
