Coming Back to Work Safely

Facility Managers, especially ifmaKC member Facility Managers, are known for our professional network and for being able to use one another as a resource.

Many of us are returning to work and into the next phase of our COVID-19 new normal.

Per your request, and to continue to help facilitate the discussions of our members, ifmaKC will be hosting a COVID-19 Roundtable Part II.

Join us Tue, July 21st at 11:30 as we continue our conversation on returning to physical buildings.

Ask your questions in advance! Click here to see our survey!

Meeting Purpose/GOAL:

- To have an open dialogue concerning the issues affecting each of us, our facility teams and our companies.
- As facility professionals, our strength has always been the ability to share with and learn from each other
- Our world, our ‘facility playbook’ has changed, and it is even more important that we continue to learn from each other in these unprecedented times

In doing so, we will continue to provide the most effective, safest, and trusted solutions to those that we serve
